**Farmhouse Ref. : L2046M Bonnieux**

Come and enjoy all the charm of Provence in this magnificent Mas located a stone's throw from the village of Bonnieux, classified among the most beautiful villages in France. This character property consists of two levels. You will find on the garden level a superb living room with high ceilings creating generous volumes and two master bedrooms, each with access to the outside. A majestic central staircase leads upstairs where you will find a second living room with an old stone fireplace, a spacious eat-in kitchen with direct access to the shaded terrace and three master bedrooms. Sobriety and refinement are the common threads of the decoration. Outside, you will appreciate the space and privacy offered by the 3 hectares planted with Mediterranean species and wooded plots. The dominant position of the house offers a 360° view which promises you a contemplation of the emblematic landscapes of the region, from the Luberon to Ventoux via the Signal de Saint-Pierre, the highest point of the Monts de Vaucluse. Finally, the nicely landscaped swimming pool will allow you to cool off on hot summer days.
